Enrichment Tutorial.

Are you a student who is looking to find out interesting and exciting applications to the courses you are learning about? Do you want the opportunity to expand your knowledge in a wide variety of areas in your free time and help prepare you for the critical thinking you'll be doing in high school and beyond?

If so, the Middle School is happy to present a weekly Enrichment Tutorial which will cover a wide range of topics with faculty from both the high school & middle school.

These 45 minute lessons will challenge you to think, discuss & delve deeply into a different area each week.

The Enrichment Tutorial will be held on select Tuesdays from 1:30 to 2:15 p.m.

Mr. Ashoff (mathematics teachers) will be doing a lesson on probability & expected value tomorrow the 10th. If you want to get an edge in games of chance, this lesson will help reveal how probability can work & how it can influence your decisions when competing with others.

Identity & Inclusion Multicultural Club.

The next meeting will be on Wednesday, 11/11 during lunch.

Grab your lunch & check out the W.E.M.S newest club, as they explore & celebrate diversity & cultural traditions in our West Essex community through conversation, activities, food, empowerment & action. New members are always welcome.

Builders Club

There will be a Builders Club meeting on Wednesday, November 11th at 2:45.

If you cannot attend the meeting, please email Mrs. Corcoran. At scorcora@westex.org

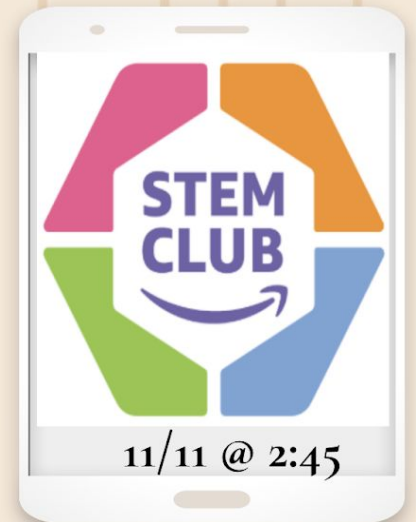

Builders Club Zoom Link [Click Here](#) Code: t6ki5r5

STEM Club

There will be a STEM Club meeting on Wednesday, November 11th at 2:45.

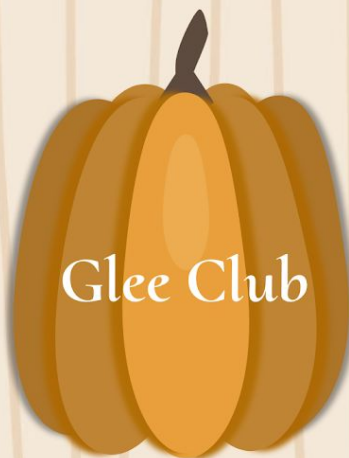

You will be working on String Art, Duct Tape Art, & Upcycled Animals. Please pick up string, wooden boards, and duct tape from Ms. Purciello in room 132 before the meeting on Wednesday.

If you are virtual student, please contact Ms. Purciello & she will leave supplies in the main office for you to be picked up.
