Enrichment Tutorial TODAY

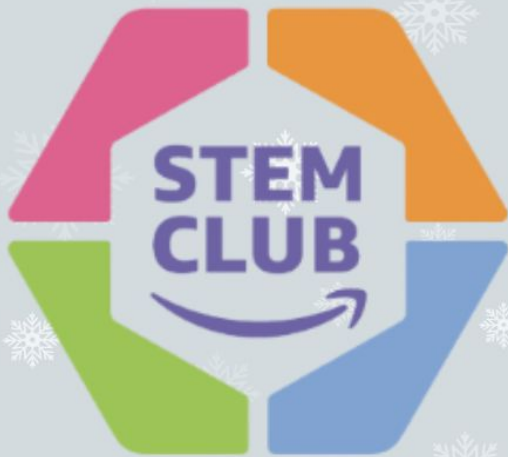

Mr. Aschoff is going to lead another game-focused enrichment tutorial tomorrow! He will discuss how to make gaming decisions based on logical decision-making rather than chance.

The case study will focus on the popular computer game *Among Us*. If you have not yet played the game, don't worry, you don't need any experience to participate in this tutorial TODAY, December 2nd from 11:00 - 11:50 a.m. Click on the link below.

A stylized world map is centered on a light blue background with a pattern of white snowflakes. The map is white with some colored snowflake icons: a red one on North America, a yellow one on South America, and a teal one on Asia. The text "Have a Great Day" is overlaid on the map in a dark red, serif font.
