Enrichment Tutorial 1/6

Please join Ms. Novalis on Wednesday 1/6 at 11:00 a.m. where she will be teaching an enrichment lesson focused on mathematical puzzles and problem solving. The Math Maven is always finding herself in the middle of a fun new mystery - and she counts on her "super sleuths" to crack the case. Each mystery focuses on a particular area of math reasoning and computation and requires students to use creative thinking and sharp math skills to help her find the solution.
