Enrichment Tutorial Wednesday's

Join Mr. Aschoff at this week's Enrichment Tutorial TODAY at 11:00 a.m. via Zoom. At his last enrichment tutorial, Mr. Aschoff introduced the basics of the stock market and how different financial systems work.

This week, you'll dive even deeper into the math behind three topics: international fiscal and monetary policy, stock squeezes, and mortgages. Even if you missed the last one, you will still enjoy hearing about these historic events in mathematical context!
