# Enrichment Tutorial

The next enrichment tutorial will occur with Mr. Shea on Wednesday, April 14th at 11:00 via Zoom. You will be introduced to the free 3D modeling program, Sketch-Up. You will learn the basic layout of the program, basic tools and commands, and some tips and tricks on how to create 3D models of houses and other buildings. You will also learn how to use the associated website, 3D Warehouse to browse and download models that others have created in order to create more realistic models and images.

You should create a Sketch-Up account and make sure you can load the program BEFORE the lesson starts.

You may use your West Essex gmail or a personal account.

More information is located on Google Classroom (code: ojtbk7x)
