# Enrichment Tutorial

Tomorrow, April 14th at 11:00, Mr. Shea will introduced you to the free 3D modeling program, Sketch-Up. They will learn the basic layout of the program, basic tools & commands, and some tips and tricks on how to create 3D models of houses and other buildings. You will also learn how to use the associated website, 3D Warehouse to browse & download models that others have created in order to create more realistic models & images. You should create a Sketch-Up account & make sure you can load the program BEFORE this lesson. You may use your West Essex gmail or a personal account. More information is located on Google Classroom.
